Success = Ability x Effort x Attitude

1. formula profesor jepun success dalam bentuk nombor +ve dan -ve.
2. Komponen yang terpenting dalam formula ini ialah komponen sikap @ attitude. Nilai yang diperuntukkan bermula Dari -ve 100 sehingga +ve 100.
3. Bayangkan kalau nilai success = $100 \times 100 \times -100$. Jawapannya = negatif 1 juta.
4. Tapi kalau manfaat = abiliti $100 \times$ effort $100 \times$ sikap positif 100. Jawapannya = 1 juta manfaat.
5. Kalau keadaan ability (keupayaan) = 0 hasilnya = 0
6. Kalau effort (usaha) = 0 hasilnya = 0 juga.
7. Bayangkan – kira sendiri markah
